++ Valid for broadcast between 1800 and 0600

Headline:

Largely cloudy and increasingly misty overnight. Turning brighter Sunday afternoon.

This Evening and Tonight:

Overcast with chance of further drizzle, especially for eastern areas where misty conditions will spread further west. Lowest temperatures for far western parts where early clear spells may occur. Chance of fog over higher ground. Mild. Minimum temperature 9 deg C (48 deg F).

Sunday:

Overcast and misty at first with isolated fog patches. Turning brighter in the afternoon as cloud lifts, although chance of a light shower. Maximum temperature 13 deg C (55 deg F).

Outlook for Monday to Wednesday:

Monday probably starting chilly with mist and fog, this slowly clearing, then dry with limited brightness. Tuesday similar with patchy drizzle. Wednesday cooler, drier and brighter with sunshine likely.
